

Touropean in Germany

09.03 – 13\14.03.2020

Sunday: Yesterday Antoinette and Julie went for a walk. Laura and Emilie went also for a walk with the dogs. After that Julie and Antoinette went to the „Kneisper Mühle“ for dinner and Laura and Emilie made pizza with Emilie's best friend Jana. They ate pizza while they were watching netflix.

Monday: On Monday we met the rest of the group. We played games to get to know each other better. After that we went in small groups to make a tour around the school. Mrs. Merdian held a welcome speech and showed us the Erasmus+ sign. At 12.40 am we made a rally around Thaleischweiler to show the exchange students the village. In the end we finished at the Döner stand. Back at school a tourism manager visited us and told us about the tourism in our region and about our school system.

Tuesday: We went to the castle „Burg Berwartstein“ in Dahn. There we had a tour to see the castle. After that we hiked to a ruin and had lunch there. The weather was terrible. In the evening we all cooked together Dutch, a typical German dinner.

Wednesday: In the morning we drove to the ice skating arena in Zweibrücken together with the 8 graders. At 12 o'clock Emilie and Antoinette walked to the climbing hall near the ice arena. Laura and Julie went to the golfing field in Rieschweiler. After the activities Laura and Emilie met some friends in the Fashion Outlet. They went shopping and had a nice evening in Zweibrücken. Julie and Antoinette played some PS 4 games.

Thursday: On Thursday we drove to Speyer and visited the „Technik Museum“. For most students it was boring, but the imax cinema was interesting. We learned something about Apollo 11. Because of the Corona virus we had to improvise and went to the city earlier. We split the group and met at 15:15 o'clock at the big cathedral. In the bus we got bad news: “Norway and Spain have to leave on Friday morning. So we improvised the farewell party planed for Friday evening and switched it to Thursday evening.

We ate, danced, listened to music and sang together. It was a great farewell party.

Friday: We were all tired and missed our exchange partner. The rest of our group had a breakfast together and worked on our blogs. Then we cleaned up and played games.
